Mr. Rodney Nichols  
Vice President  
The Rockefeller University

Dear Rod:

When I spoke with Dr. Lederberg at Palo Alto he asked me to submit the names of some possible candidates for the Ob-Gyn Chairmanship at Cornell. The following is a short list of such names:

Federick Naftolin  
Professor and Chairman, Ob-Gyn  
McGill University  
Montreal, Canada

J.C. Warren  
Professor and Chairman, Ob-Gyn  
Washington University  
St. Louis, Missouri

Alan Beer  
Professor, Ob-Gyn  
University of Texas Southwestern Medical School  
Dallas, Texas

I don't know of their interest or availability but they are all highly regarded for their research and would be valuable additions to the York Avenue Community.

Sincerely,

  
Jack Fishman
